ABOUT US

Stainless Bolt Industries was formed in the year 1982 by Mr. B.N. Gupta. He was a man with simple thoughts and transparent approach to give the best to the customers in terms of quality, service & price.

We are engaged in the manufacturing of industrial fasteners such as hex bolt, hex nut, plain washers, spring washers & machine screws in stainless steel 304, 316 & 202 grade. Every material of our warehouse undergoes stringent quality checks.

Our wide distribution network enables us in meeting the demands of our clients in global market. Our success is built on our commitment to provide the best quality and service.

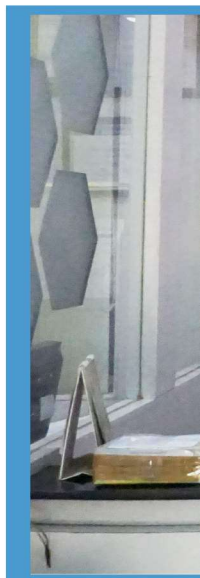

WHY CHOOSE US

We provide products that are in compliance with BS, IS, DIN standards, durable & corrosion resistant and are subject to stringent quality checks.

We work together, across boundaries, to meet the needs of our customers and to help our Company win.

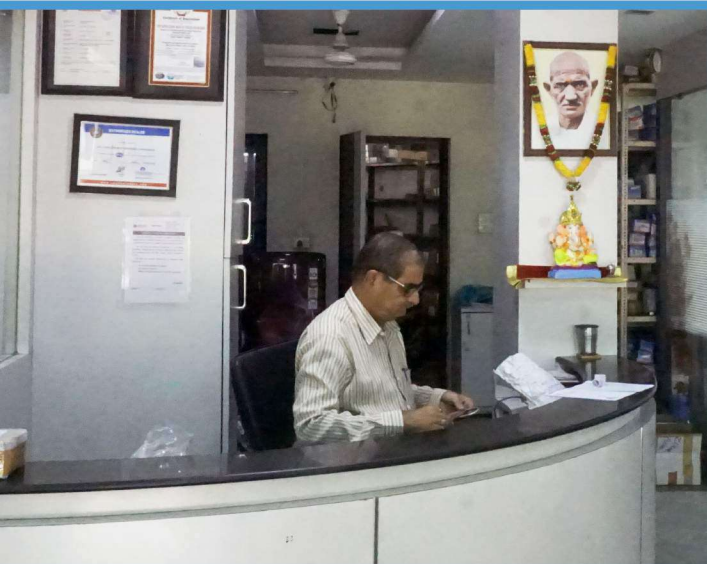

We're honest, transparent and committed to doing what's best for our customers and our company.
