Stainless Bolt Industries Pvt. Ltd.

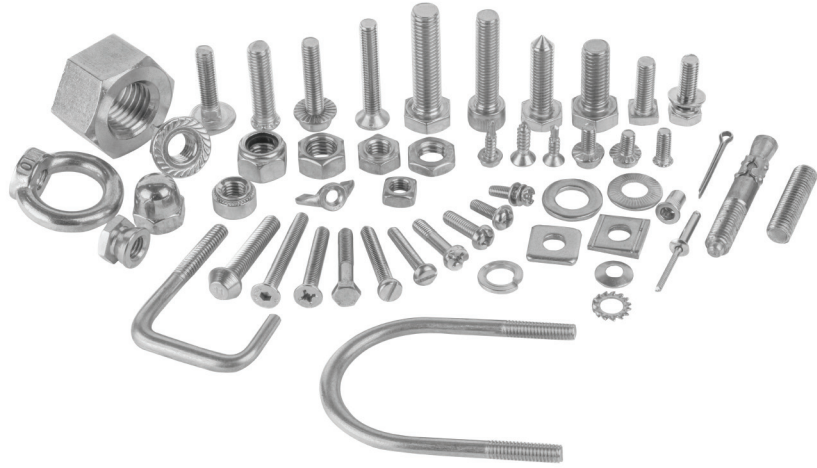

AN ISO 9001-2015 CERTIFIED COMPANY

ENGINEERED TO ENDURE; BUILT TO LAST

MANUFACTURING STAINLESS STEEL FASTENERS, BRIGHT RODS & WIRES

ABOLTS

Stainless Bolt Industries Pvt Ltd is a ISO 9001:2015 certified manufacturer and supplier of stainless steel fasteners in India, including bolts, nuts, washers, machine screws, self-tapping screws, threaded rods, bright rods, and wires. Founded in Ahmedabad, Gujarat in 1982, we have built a strong reputation for delivering precision, reliability, and performance.

With over four decades of expertise, we deliver fastening solutions that support industries locally and globally. Our products are manufactured using advanced technology and strict quality control processes to ensure compliance with international standards like BIS, IS, BSW, DIN, ASTM and UNC.

With a portfolio of **over 5,000 products**, we proudly serve **10,000+ customers** worldwide. Our stainless steel fasteners are trusted across a wide spectrum of industries, including electrical towers and equipment, solar structures, aerospace, railways, marine applications, pharmaceuticals, food and beverages, furnaces, chemical machinery, defence, automobiles, transformers, cooling systems, and home appliances.

We operate under two trusted brands – **Shree (श्री)** for Stainless Steel Grade 202 and **Sava (सव)** for Stainless Steel Grade A2/304, A4/316, 304L and 316L.

OUR VISION

At Stainless Bolt Industries Pvt. Ltd., our vision is to be a **globally respected leader** in stainless steel fasteners — admired for our **integrity, quality, and reliability**. We aim to be recognized not only for the **strength of our products**, but also for the **strength of our values**. We envision a future where our fasteners **hold together the world's most critical structures** — from industrial and infrastructure projects to everyday applications. By **investing in advanced technology**, **refining our processes**, and **empowering our people**, we strive to **set new benchmarks for precision, durability, and trust** in every connection we create.

OUR MISSION

To manufacture and supply world-class stainless steel fasteners through:

Transparent
business practices

Timely supply at
competitive prices

Commitment to
quality improvement

Strong and lasting
customer bonds

DIRECTOR MESSAGE

Mr. Pankaj Gupta

Chief Executive Officer (CEO)

With more than 40 years of unwavering dedication to the industry, Mr. Pankaj Gupta is the founding force behind Stainless Bolt Industries. He began his journey in 1982 under the shadow and guidance of his father, bringing with him valuable experience from the family's earlier ventures in electrical products. His vision, resilience, and leadership have shaped the company from its humble beginnings into a trusted name in the stainless fasteners industry. Today, the legacy and success of Stainless Bolt Industries stand as a testament to his relentless pursuit of excellence and innovation.

Mrs. Kavita Gupta

Chief Financial Officer (CFO)

Mrs. Kavita Gupta joined Stainless Bolt Industries in 2004, bringing with her a strong passion for finance and a keen sense for numbers. She always had a natural interest in financial planning and management. As the wife and trusted partner of Mr. Pankaj Gupta, she played a vital role in strengthening the company's financial foundation. Under her expert guidance, the company transformed into a cash-rich and financially stable enterprise. Her sharp insights and disciplined financial strategies have been instrumental in driving sustainable growth and securing the company's long-term success.

Mr. Akshat Agarwal

Director

Mr. Akshat Agarwal joined Stainless Bolt Industries in 2016 after completing his graduation, bringing with him fresh energy and a modern outlook. While actively contributing to the business, he simultaneously pursued his MBA to strengthen his strategic vision for the company's future. With a deep commitment to growth and innovation, he represents the next generation of leadership. His forward-thinking approach and dedication continue to drive the company toward new milestones in a rapidly evolving industry.

Mrs. Esha Dutta

Export Director

Mrs. Esha Dutta joined Stainless Bolt Industries in 2025, bringing with her a fresh global perspective and a passion for international trade. She completed her graduation in 2022, and after gaining a few years of industry experience, she developed a strong interest in export operations and management. With a keen understanding of global markets and evolving trade dynamics, she is committed to expanding the company's international footprint. Her energy, adaptability, and dedication mark the beginning of a new chapter in the company's global journey.

MANUFACTURING CAPABILITIES

ADVANCED FORGING & MACHINING

Cold and hot forging facilities for producing precision fasteners in SS 202, 304, 316 and 304L, 316L grades.

WIDE PRODUCT RANGE

Capability to manufacture screws, bolts, nuts, studs, washers, and customized fasteners as per BIS, IS, BSW, DIN, ASTM and UNC.

HIGH PRODUCTION CAPACITY

Large-scale output with the flexibility to handle both bulk orders and specialized requirements.

IN-HOUSE TESTING & QUALITY CONTROL

Equipped with hardness testers, UTM machine, spectro gun, gauges, and inspection tools to ensure zero-defect products.

CUSTOMIZED SOLUTIONS

Ability to design and produce fasteners tailored to client specifications and applications.
